

Teaching as inquiry cycle

Focussing Inquiry -
What are our students' learning needs?

The Current state

What would success look like, what enhanced learning will occur and what baseline data do I have to compare it with later?

Deep goal and explicit targets:

Teaching Inquiry -
What are our own learning needs?

RTC

Learning Inquiry -
What has been the impact of our changed actions on the enhanced learning of ākongā?

RTC

Teaching and Learning (Āko)

Design of tasks and experiences

Teaching actions

RTC

Have I compared the success with the baseline data? What have I learned from this? What enhanced learning has occurred for ākongā?
